

New Zealand Pensions and Welfare

Margaret Snow, Senior Advisory Officer, Pensions and Welfare with the RSA in Wellington will be in Perth from the 4th to the 8th of May to speak with veterans, ex NZDF personnel and families.

You have two options if you wish to avail yourself of her services, firstly attend a briefing on New Zealand Pensions and Welfare or secondly book an appointment to speak to Margaret either on your own or with your family.

Margaret will be operating from ANZAC Cottage at 38 Kalgoorlie Street Mt Hawthorn, this is the HQ of the Vietnam Veterans Assn of Australia and not to be confused with ANZAC House in Adelaide Terrace. ANZAC Cottage has a bus stop within 50m and street parking.

If you wish to attend a briefing, which will be in the evening, commencing at 1930hrs or prefer a half hour appointment with Margaret then please ring me on 04004 92001 or email me at pobaramsay@bigpond.com.au.

Close off date for either will be the 1st of May. We have never had RSA representation in the State before to assist veterans and ex NZDF personnel so I urge you to take advantage of the service.

Cheers
